

Little Frogs

by PaganKids.org

A Swedish Midsommar Song

Translated from 'Små Grodarna'

The little frogs, the little frogs,
They are funny to see...
No ears, no ears, no tails.
They are funny to see!

Kwak-ak-ak,
kwak-ak-ak,
kwak-ka-ka-ka-kaa (x2)

(The noise Swedish frogs make)

The little pigs, the little pigs,
They are funny to see...
Two ears, two ears, one tail,
They are funny to see!

Anoff-noff-noff
Anoff, nof, nof, nof
Anoff, noff, noff, noff, noof (x2)

(Snort like a pig)

Dance Routine:

Children walk around in a circle the entire song!
No ears: Cover your ears
No tails: Put your hands on your tailbone

Next Chorus: Go the other direction of the circle
Two ears: Use your hands to make ears
One Tail: Use your hands to make a tail behind your back
